

70th Anniversary Ball

ELYRIA CATHOLIC 2019 *Forward Gala*

September 13, 2018

Dear Friend of Elyria Catholic High School,

Elyria Catholic is celebrating its 70th Anniversary! We are grateful for the inspired leaders and donors who established our school and the engaged community of businesses and benefactors who continue to support our students allowing us to continue our academic pillars of excellence, compassion, faith, tradition and community.

As we continue work on our *Moving Elyria Catholic Forward* strategic plan, we have inspired students with three new innovative and collaborative spaces including a professional broadcasting studio, state of the art Chemistry lab and a high tech Maker Space. We have also increased academic opportunities for our students by adding more college credit plus courses, thought provoking electives and student success resources.

President Amy Butler '80 and the faculty, staff and students of Elyria Catholic High School invite you to celebrate with us at our **2019 Forward Gala, 70th Anniversary Ball** on Saturday, April 6th, 2019 in the Elyria Catholic Coliseum. We are excited to welcome Bishop Nelson Perez as our keynote speaker. All proceeds from this event will be used to update our athletic facilities to help strengthen our students' bodies and enrich their spirit.

We hope you will join us in our mission to continue to provide a quality Catholic education in Lorain County by sponsoring a portion of the event or advertising in our event program. This represents a tremendous opportunity to showcase your support to a broad and engaged community and over 400 attendees.

Please contact Michelle Hoffman, Director of Advancement, if you would like to participate or have questions at 440 230 8618 or hoffman@elyriacatholic.com.

The entire Elyria Catholic community is grateful for your consideration.

Gratefully,

Mr. and Mrs. Mike Davies
Adrianna, Class of 2015
Griffin, Class of 2019

Mr. & Mrs. Tom Gott
Julia, Class of 2019

Mr. and Mrs. Steve Kemer
Mackenzie, Class of 2020
